## The Fathering Project 2025

The Fathering Project is an evidence-based organisation that aims to promote positive fathering behaviours and fathers' engagement with their children. The Fathering Project aims to inspire and equip fathers and father figures and help involve Dads and their kids through some hassle-free activities and events throughout the year. Furthermore, the Fathering Project Website has a variety of resources that are available for you to access at any time. Topics include; technology advice, managing your kid's big emotions, cooking with your kids and fathers' health and wellbeing.
